

Date of Completion

10 Year Guarantee

Project Description
at
XXXX

Simply Extend has completed the works at XXXX and will guarantee the work for 10 years.

This covers defective new materials and workmanship including structure, weatherproofing, roof and windows. It does not cover storm damage, subsidence that can be covered under the householder insurance. For faulty fittings and appliance such as pumps and showers refer to the manufacturer's warranties that will be provided upon completion.

Any remedial works will be investigated within 48 hours of call out and the work will be carried out within 2 weeks.

It is normal after completion of the works for some minor cracking to occur and these will be rectified within 6 months from completion for areas that decoration is included in the contract.

If, in the event of a problem with the works and the fault is found not to be connected with the work Simply Extend carried out, then a fee may be charged for any corrective work carried out.

Kind Regards
